Privacy

StreamProvider is a responsible company. We are committed to keeping your personal information safe.

By entering personal or company data into our forms, you agree that this data is stored. We take efforts to secure the forms, the servers and the storage. Only authorized staff has access to the data.

We primarily use this data to provide you with the services that you requested or ordered.

We may also occasionally keep you informed of new services or products or news and changes in activities. By contacting us, requesting free or commercial services or entering data into our online forms, you agree to this.

Logs will be used to produce usage statistics and analysis to improve our services. This information does not contain personally identifiable information.

We do not publish, share or sell your personal data.

We reserve the right to outsource our website, our forms, our databases, logging, statistics and analysis to external providers in which case we will make sure that these providers follow our privacy guidelines.

Please note that we cannot take responsibility for personal data posted on any open forums, message boards, websites or servers outside our control.
